

Dear Parent or Guardian,

Your child has been invited to participate in our Middle School Mathematics Tutoring Program.

The program is scheduled to begin the week of Sept. 27. Please note that students can also start tutoring on a latter date.

Tutoring will be led by the mathematics teacher, and is offered in a small group setting in the Middle School Math Room. At times, the main lesson teacher as well as educational and intervention specialists may attend. This team will work in collaboration.

Tutoring Schedule

- Grades 7 and 8 Mondays, 2:15 – 3:00 pm
- Grade 6 Tuesdays, 2:15 – 3:00 pm

Please understand that this is NOT a Special Education service or placement. This additional support is provided by SunRidge School to help students develop stronger study skills and deeper mathematical understanding. Tutoring will be individualized to each student's needs.

Each student will work for a set number of weeks on specific personal goals. A new schedule with new goals can be created once the first set of goals is achieved. Students can continue to participate in the program as long as they benefit from it.

Contact the mathematics teacher or your main class teacher if you have questions.

Please sign this letter to indicate your agreement for your child to attend the SunRidge Mathematics Tutoring Program.
